

ANNEXURE-01

SCOPE OF SUPPLY

The scope of supply shall be as per the specifications and items provided below:

Please note:

- 1) This shall be an Annual Rate Contract (ARC). The quantities may vary based on the operational requirements of ABEPL during the contract period. The Vendor shall supply the required quantities as and when requested by ABEPL at the agreed rates and terms of the contract.
- 2) Unit rates shall be quoted on a per-unit basis in accordance with the specified Unit of Measurement (UOM). The quoted rates shall remain firm and fixed throughout the entire contract period.
- 3) For the installation items (Sl. Nos. **25, 27, 44, 45, and 46**), the vendor shall mandatorily visit the installation site, as and when intimated by ABEPL, prior to execution of the work. All costs associated with the site visit, including travel, boarding, food, and lodging, shall be entirely borne by the vendor and shall be considered included in the quoted rates.
